

## **Vote Safe and a Little More in 2024 Part 9 – Post Election Details**

**Tomorrow is the last day of voting – November 5, Election Day!**

**Here are some ways you can make a difference tomorrow, and in the weeks to follow as ballots are counted:**

1. Make sure you have
  - reviewed the [EIPCa Citizen Observer Guidelines](#)
  - downloaded [EIPCa Citizen Observer Hotline numbers](#)
  - downloaded [EIPCa Citizen Incident Statement form](#)
2. Review the polling location procedures:
  - [Vote Safe Part 6](#)
  - [Vote Safe Part 7](#)
3. When and after you vote, plan to stick around a while as an official Citizen Observer.

**[A well-informed Observer may be able to ask just the right, well-formed question to clarify things for everyone.](#)**

4. Take time to visit some other polling locations in your area. You can be very valuable.
5. Consider adopting one polling location at closing time.
  - Observe the closing procedures.
  - Follow the ballots to the Collection Center.
  - Watch for secure handoff and chain of custody.
  - Stay to watch other deliveries.
6. Adopt a drop box in your area.
  - Be there before 8:00 p.m.

- Document how and when the box is locked. No ballots should be allowed to enter the box after that time.
  - For more on drop box observation information, see [Vote Safe Part 3](#).
7. If you are a late-nighter, there is much to observe at the counting center as the ballots of the day arrive and the in-person votes are counted.
  8. Take a deep breath. Then commit to doing what you can to protect vote by mail and provisional ballots as they are processed.

**From November 6 through December 5,  
you are needed at the ballot processing centers.**

9. Review the two articles on ballot processing:
  - [Vote Safe Part 4](#)
  - [Vote Safe Part 5](#)
10. Go as often as you can for the next 30 days to protect with your presence each and every ballot being processed.
11. Stay in touch with [EIPCa via Hotline](#) as needed.
12. Fill out and send in a [Citizen Incident Statement](#) for each issue you encounter.

**Citizens involved in every aspect of the election process produce a healthy Republic.**

**Without citizen oversight, Republics are soon lost.**

**Freedom is only one generation away from extinction.**

**Let us not be that generation.**
