Since You Asked: How Do I Vote In-Person in November

by: Ruth Weiss, EIPCa Director of Legislative Oversight, ruthweiss@eip-ca.com

Even though every registered voter in California will be mailed a vote-by-mail ballot, you ABSOLUTELY CAN vote IN PERSON in November*. (minor exceptions)

EIPCa ENCOURAGES you to do so if you feel safe to do so.

The voting process may be very different for you this November due to what accommodations your county has determined appropriate to deal with COVID restrictions.

Counties have their choice of 4 different plans. [CLICK HERE](#) to learn what your county is doing to facilitate in-person voting.

PROTECT YOUR VOTE; PROTECT ALL VOTES:

- **CHECK** your registration at your county registrar's website AND at <https://voterstatus.sos.ca.gov>. Report problems to EIPCa.
- **SIGN UP** to track your ballot at [WheresMyBallot](#) This will prevent you from having your ballot used by someone else.
- **READ, PRINT and SHARE** the document linked [HERE](#) for valuable information and advice for protecting your vote and election integrity in general.
- **SHARE** this and all EIPCa communications with EVERYONE you can.
- **CONSIDER** working as an election official with your county. They need assistance and we need more people in a position to ensure that laws and procedures are correctly followed.
- **ENCOURAGE** voting, IN PERSON if possible. Friends don't let friends give up! VOTE!
