The Gift of Hope

By Gabriel Cruz

Blessings come in many forms
A light in the midst of storms
A glimmer of hope, in the darkest night
A source of strength,
to carry us to new heights.

For blessings bring us hope
A ray of light that helps us cope
With the challenges that life can bring
And the trials that make our hearts sing.

Blessings inspire us to believe
That even in the darkest of days
we can achieve
That there's always a silver lining
And that our spirits can always be shining.

For blessings give us the gift of hope
A source of strength that helps us cope
With the ups and downs of life
And the challenges that cause us strife.

So let us cherish the blessings we receive
And hold onto hope without a need to grieve
For they are the light that guides us through
And the gift that helps us start anew.

To all of you from all of us at Election Integrity Project[®] California

The fight for election integrity around the Republic...
