**AB 1040**  
**SUPPORT**

Members of the Committee,

EIPCa **supports AB 1040** as written and amended as of the date of this letter.

Any California citizen who has suffered the tragedy of having to temporarily vacate a home damaged by fire, flood, earthquake or other disaster deserves not only our greatest compassion but every effort to remove as many other stressors as possible.

AB 1040 would ensure that such victims are not deprived of their electoral voice in a jurisdiction in which they intend to continue their residence as soon as repairs or rebuilding can be accomplished.

AB 1040 allows such victims to retain their sense of HOME and control over some aspect of their lives.

AB 1040 is commonsense, it is compassionate, it is reasonable, and it is necessary.

**EIPCa urges a YES vote on AB 1040.**

Sincerely,
