AB 16

SUPPORT

Members of the Committee,

EIPCa **supports AB 16** as written and amended as of the date of this letter.

Warranted or not, public trust and faith in the election process is very low.

California's 30-day delay in election results is ludicrous, unacceptable and troubling. ALL of the other 49 US states and every worldwide Western Democracy produce certified results in 1-3 days.

While complete certification of election results cannot be produced by California in a legitimate time frame until several laws are modified or eliminated, forbidding a delay in beginning to process ballots is a step in the right direction.

EIPCa urges a YES vote on AB 16.

Sincerely,
